*Practice exercises  
for classroom use  
or self-study*

The **Oxford Photo Dictionary** has been specially developed for learners of English of all ages from beginner to intermediate level.

Over 2 400 words (both British and American English) are presented in lively, colour photographs.

Topics cover the family, the human body and clothes, the home and the city, shops and food, the post office, money and the bank, school and work, science and the environment, travel, sport and animals.

This dictionary can be used by students on their own or by language teachers as a vocabulary building resource. Practice material is provided in a section of exercises and activities.
