## ‘Happy is Good’

*Every student on the bus turned to the nearest person  
and repeated: ‘Have a nice, nice day!’*

The School for Higher Studies in **Happiness** was about five kilometres outside Eden City. Every day, a bus took the students from the centre of town to the school. On the way, the students sang. There were a lot of students on the bus and the noise was wonderful.

*‘I’m H-A-P-P-Y,  
I’m H-A-P-P-Y,  
Every day, in every way,  
I’m H-A-P-P-Y.’*

Student BZXY741 sat behind the driver. His singing was louder than the other students’. He sang well and he liked to sing.

*‘Happy is good  
And sad is bad,  
I’m H-A-P-P-Y.’*

**happiness** /'hæpinəs/ (n) *Happiness* is a happy feeling.

He really was very happy. He was the best student of the year, the winner for the Best Smile. Every student and every teacher at the school liked him. He looked out of the window at the white streets of Eden City, at the red and blue buildings, at the flowers and trees. The city was beautiful in the sunlight – not **real** sunlight, of course. There were no people on the streets. It was Work Time.

*'I'm happy when I work.*

*I'm happy when I play.*

*Tomorrow I'm going to be happier,*

*Happier than today.'*

In Eden City, some people worked and some people studied. But workers weren't different from students. Everybody was happy.

The bus drove through the streets and into the gardens of the school. Flowers of every colour turned their heads and watched. The birds in the trees sang: *'Have a nice day!'* Every student on the bus turned to the nearest person and repeated: *'Have a nice, nice day!'* They always did this. It was School **Procedure**.

**real** /rɪəl/ (adj) Something is *real* when it is really there.

**procedure** /prə'si:dʒə/ (n) When you follow a *procedure*, you do everything in the right way.

- 1 Read about the visitors. Then talk to other students and write the names of the visitors under their pictures.

**THE VISITORS FROM ZOT**  
 ርፍ ገገገ ገገገ ገገገ ገገገ ገገገ

One day a small strange ship comes down from the sky near your school. A door in it opens and five very strange people slowly come out of it.

*'Hello,'* says one of them. *'Do you speak English? We speak a little English, but not good. We are from Zot. It is a lovely world and we are very friendly people. Don't be afraid. We are having a holiday. When we saw your beautiful blue world, we wanted to visit it.'*

*'Hello,'* says your teacher. Welcome to our world. What are your names?  
*'Our names are Zag, Zeg, Zig, Zog, and Zug,'* he smiled.  
*'But which is which?'*

The man from Zot laughed. We like a joke. We like to laugh,' he said.  
*'Are you clever people? We will tell you our names.' Listens*

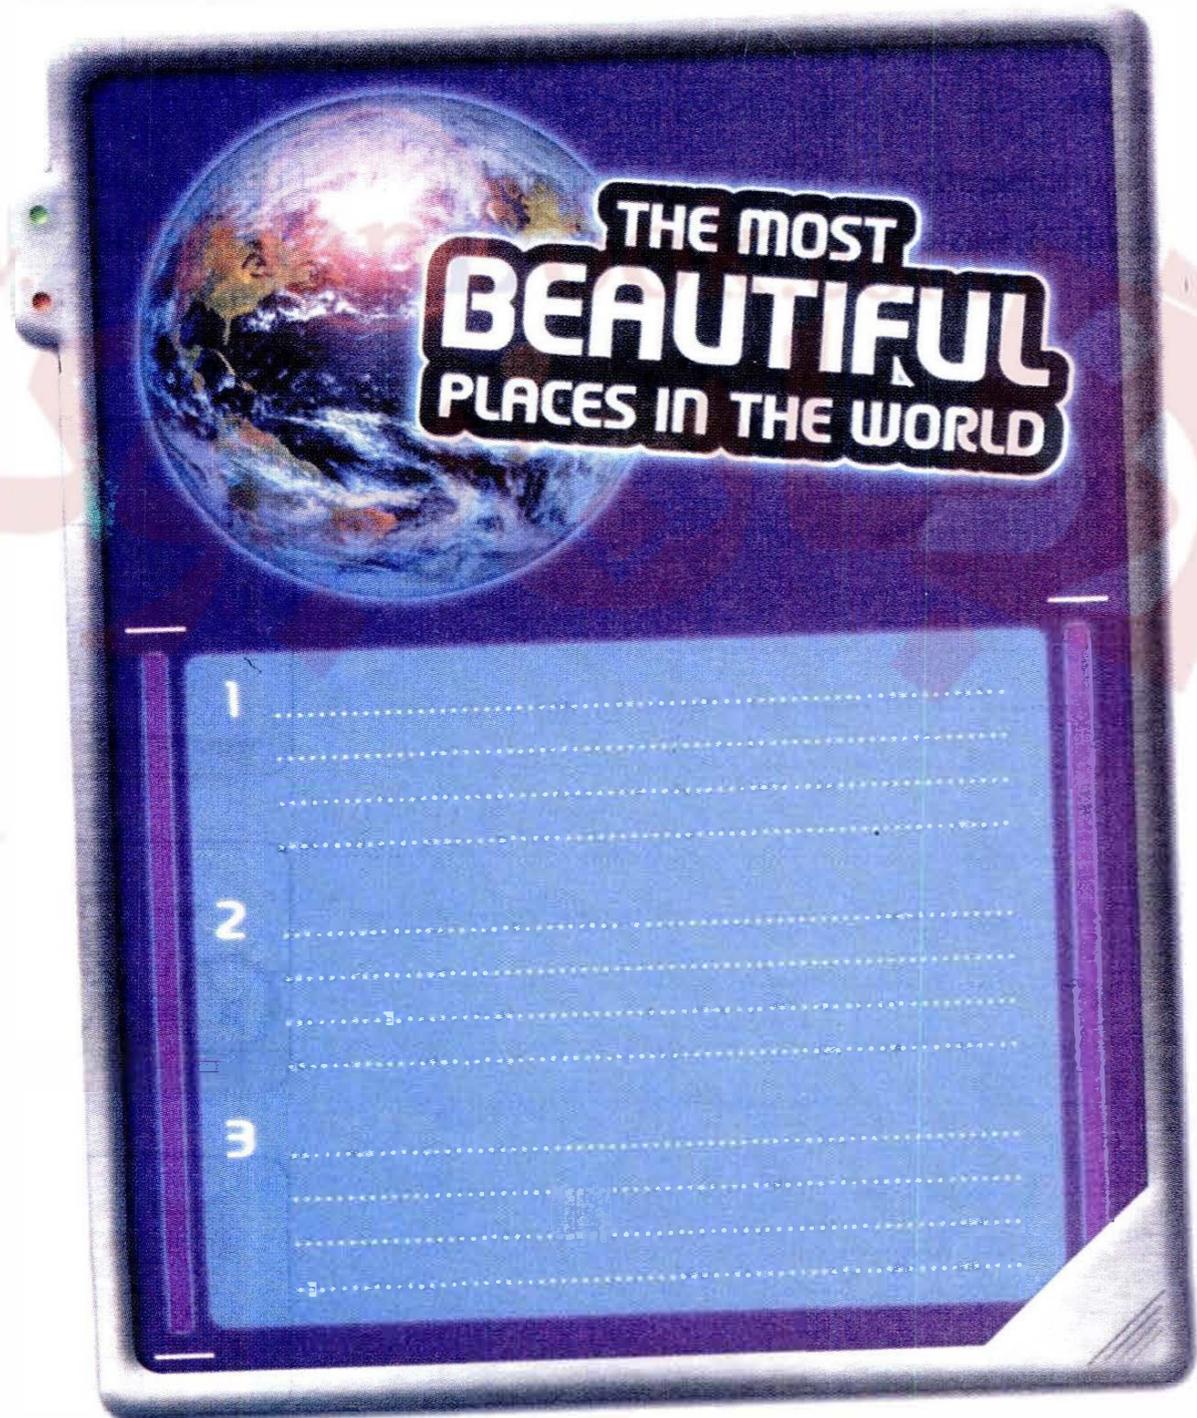

Zag is the oldest and he is always afraid of bad weather.  
Zig is very short, but not as short as Zina.  
*Zug takes the photos and films our visits.*  
I have hair like Zig, a lot longer than Zog.'

**4 The people from Zot have some more questions:**

‘Your world looks very beautiful. We would like to visit some other beautiful places in your world. We have time for three visits before we go. We don’t want to visit cities or buildings. People will be afraid of us. Which are the three most beautiful places? Where are they? Why are they the most beautiful? What can we see there?’

**Talk to other students about the best places for these visits. Then write about them.**
